# LAURA MADDEN

Sustainable Fashion Advocate, Influencer & Model

Creator and activist  
Laura Madden shares  
her sustainability message  
through art and style

*"I may be  
earthy, but  
I am not  
crunchy!"*

So Scottsdale! November '20

# ROLE MODEL

---

Laura Madden is a sustainable fashion advocate, influencer, stylist, artist, and model. Laura supports sustainable fashion brands & reports on the intersection of style, sustainability, and self-esteem to help women use fashion to look, feel and do good for the planet.

Laura creates social media content to share how she lives a stylish and sustainable life, demonstrating that style and sustainability can coexist; a space where fashion and consciousness collide.

"Sustainable fashion is my thing.  
On my blog I talk about ReFashioning—the  
re-imagining of our relationship to not only fashion,  
but all material things.

*It's about connecting the dots between  
consciousness + fashion."*
